DECOGEL

LIGHTENS UP TO 10 SHADES!

Non-volatile jellified bleach that lightens up to 10 shades. Its formulation containing a concentration of mineral oils, gelling agents, and clay mineral creates a lipid film on the hair, helping it to retain its moisture and preventing it from becoming dry. Its creamy, non-volatile texture provides excellent adhesion and easy distribution on the hair, resulting in an even bleaching process. The lightening granules are covered with a bluish dye to nuance the hair. Suitable for all bleaching techniques: Enclosed highlights, open air, balayage, and global lightening.

DECOBLUE

LIGHTENS UP TO 8 SHADES!

A powerful bleaching powder to lighten the hair. Bleaches without leaving yellowish hues thanks to the blue pigments in its formula, resulting in the perfect white. Hair can be bleached up to 8 shades lighter, respecting the structure of the hair fibre without damaging it.

30g / 500g

CLEAN SCALP

Prevents staining of the scalp following the use of colouring agents. Does not affect the hair colouring process or grey hair coverage and prevents irritation.

3ml / 250ml

COLOR REMOVER

Removes stains resulting from hair colouring. With a pleasant aroma and gentle formula, it does not affect the skin.

3ml / 250ml

DYE CLEANER

Removes the most persistent and stubborn dye stains

250ml

COLOR PROTECT

Revives faded colours; the perfect way to maintain the colour between dyes. On dark hair with light highlights it gives the highlights colour. On natural hair it creates reflections, depending on the colour used.
